

Children Are Priceless Passengers (CAPP)

The CAPP program is a partnership between Banner Del E. Webb Medical Center, the Governor's Office of Highway Safety, police departments, and municipal/justice courts designed to educate families about:

- Injury prevention
- Crash dynamics
- Types of restraints for children
- Installation of child safety seats (car seats)

The class is taught by certified child passenger safety technicians. The classes are open to the public and cited drivers. If you have a child safety seat, please bring it to class.

- **Cost:** \$25 per person
- **Location:** BDWMC Auditorium B
- **Time:** Class is offered on Saturdays only
 - 9 a.m. - 11 a.m.
- **Schedule:**
 - Please Call (602) 230-CARE (2273) or 1-800-230-CARE for information about upcoming classes
