

Children Are Priceless Passengers Car Seat Safety & Education

When properly installed and used, child safety seats greatly reduce the risk of injury for infants, toddlers and young children. Yet, 90% of seats are improperly installed. Come and learn how to install your child's seat the right way to ensure your child's safe transportation. This class is perfect for expectant and experienced parents as well as other child care givers. **Advance registration is required.**

To register or for more information call 602-406-CARS.

The cost of the class is \$25.00 and they are held the **third Saturday of every month.**
